

The Mission of Waccamaw High School is to provide a safe, nurturing environment that prepares students to function productively in a diverse, democratic, and technological society.

The Vision of Waccamaw High School is to create a collaborative community of teachers and learners who communicate freely and use technology with the sole purpose of improving student learning. Teachers and administrators will proudly display exceptional student work and awards verifying the great achievements happening in our school. The faculty will illicit the help of community members who will be prominent in serving students and teachers to achieve excellence in education

We Believe...

- the success of our students in a nurturing environment is our first priority.
- education and learning are lifelong processes.
- every student has the ability to learn and develop
- a successful education is a cooperative effort among school, family, and community.
- all students have the right to live, work, and learn in a safe environment.
- the use of instructional technology enhances learning and student achievement.
- appreciating and respecting diversity in ideas and cultures is important.
- communication is essential for an effective school.

Overview of School

Waccamaw High School is located in the Grand Strand area of South Carolina. We are accredited by the Southern Association of Secondary Schools and Colleges, and are governed by the rules and regulations set forth by the South Carolina Department of Education. Waccamaw High is located in the center of a growing community. It is almost equally centered between the commercial and tourism industry of both Myrtle Beach and Charleston, SC. As a result of rapid community growth, Waccamaw High has seen a significant increase in student population. The

faculty and staff at Waccamaw High are flexible and diligent, always striving to meet the needs of our every-changing student body. Waccamaw High is a Palmetto Gold School 2003-2016, A Red Carpet Recognized School from 2005-2008, and Palmetto's Finest winner in 2008. We have had an Excellent Report Card Rating for the past decade and received special Palmetto Gold recognition for "Overall Achievement" and "Closing the Achievement Gap." We have won numerous team and individual athletic state championships and are recognized state wide for excellence in the arts. Waccamaw High School was Magnum Cum Laude for both ACT and SAT performance in 2010-2012 and The Waccamaw High School Student Council remains the A/AA State Student Council of the year since 2005.

Grading System & Class Rank

The Waccamaw High School Curriculum operates on a traditional 7 period day schedule. Courses are divided into three levels and weighted respectively: (1) College/Tech Prep., (2) Honors, and (3) Advanced Placement. Students earn quality points and credits in all courses in accordance with the South Carolina Uniform Grading Scale System. Students' number of quality points and units are calculated to derive their weighted grade point ratio and their class rank is based on the South Carolina Uniform Grading System. You may view the Grading System at http://phea.webs.com/INEZ2006UGP_1ApprovedbySBE1-9-07.pdf

Official Grading Scale

The uniform grading scale adopted from the South Carolina Department of Education is as follows: A (93%-100%), B (85%-92%), C (77%-84%), D (70%-76%), and F (69% and below). Go to South Carolina Uniform Grading System on the internet to check our weighted graded system

**On Tuesday, April 12, 2016, the State Board of Education (SBE) unanimously voted to implement a 10-point grading scale effective in the 2016–17 school year. The new uniform grading scale is accompanied by a new conversion chart that will also be implemented in the 2016–17 school year.
